

First we bought the rocking chair  
Then Mary Ann for it to share  
Next we bought the colored blocks  
They were too big to go in your socks  
At Brown's we got the trainer's pants  
They just fit- we could tell at a  
glance

So we went shopping for rubber pants  
Uncle Tyrus bought the little white bed  
For a soft spot to lay your head  
Then he got the toddy seat  
Just to keep you nice and neat  
Then he bought the big foot ball  
But the peppermint stick-  
You loved best of all-

Uncle Tyrus and Aunt Ruth-

George Washington's First Christmas.  
December 1942.
