Dear Ruth

Bulah came to see us Sunday

we was so glad to see her she brought  
Tommie he is so cute but two boys in  
one. Alena and I went to see  
Millie about two weeks ago I enjoy-  
ed my little visit with her and  
seeing her little apartment she  
seems to be very happy as happy as  
one could be with a son in the  
service. She gave me the lovely  
handkerchief you sent me  
it was sweet of you to think of  
me and I appreciate it very much.  
but I am not writing you this  
letter to thank you for the handkerchief  
I am writing to ~~ask~~ you to come to  
see us and bring Francis and George.

I feel sorry for Sonny he wants to  
see you so much Sonny loves all  
of his sisters but you are tops with  
him Edna is in the hospital for  
a little operation will go home tomorrow  
now been there ten days longer because  
she hadent any help and Clarence
