

Dear Mr. Walton,

I just learned that you are a son of Dr. W. M. Walton. I had already found information that his mother was Angelina Poe, a daughter of Simon B. Poe. Your mother was Alma Poe, a daughter of William E. Poe and Elizabeth Holiman.

I am a great grandson of Nancy Frances Poe by her first husband J. Robert Holiman. Her father was Calvin C. Poe who is buried at Corinth Cemetery near Sheridan.

Can you help me get any data on the Poe family? I have been searching for a long time. Any word at all will help. Thank you.

Sincerely yours,  
Chester H. Bullock
