Mr. Brannon, Director

Dear Sir:

Many thanks for your letter and copy of Revolutionary Soldiers
buried in Alabama.

I am trying to find the record of Major James Poe. He moved
from the Carolinas in his old age with his son Simon and
located at Newtonville near Tuscaloosa in Fayette County. He
is buried at Newtonville, Ala; as evidenced by his tombstone.

If you can give me any reference concerning him or information
about him, it will be greatly appreciated.

Cordially Yours,

S/Harry T. Poe, Jr.

*Other notes indicate that Major James
Poe was Simon B. Poe's grandfather.*

*Please return.
