Dear Mr. Walton,

I am writing to some Waltons in the Benton area hoping to locate some Poe relatives. I am informed that Dr. Walton's mother was Angelina Poe, a daughter of Simon B. Poe. Also, Dr. Walton's wife was Alma Poe, a daughter of William E. Poe and Elizabeth Holiman, a daughter of Joshua Holiman.

I am the great great grandson of Calvin C. Poe and Mary Willingham Poe. Their daughter Nancy Frances Poe married J. Robert Holiman. James Jesse Holiman, their son, was my grandfather.

Calvin C. Poe and wife had at least three sons and three daughters. One son, Major James Poe, and his people went to the Canton, Texas, area.

Can you help me get any family data concerning the Poe people? We are distant relatives of Edgar Allan Poe.

If you can help me in any way, I will appreciate it.

Sincerely,  
Chester H. Bullock
