My dear Dr. Walton  
your letter informing us of your  
new happiness has indeed  
made me very happy, and  
I hope every year of your  
married life will find you  
happier than the last  
It is a pleasure to have  
my daughter feel so much  
love and esteem for a man  
who has always stood so  
high in the estimation of his  
friends and relatives  
While we miss Alma very  
much still I think it  
would be foolish to grieve

2

over her leaving home when  
she is so seemingly happy  
and I say it not boasting  
that I hope she will make  
you as loyal a wife as  
she has been a daughter.  
may heaven bless you both  
in the prayer of ~~you~~  
from her father and mother

Sincerely yours  
Mrs. W. E. Poe
