Dear Wimped:-

No Excuse at all for
being so long about sending
the valuable papers back -
I have copied every thing - and
I do appreciate you letting
me borrow them - I don't know
any more than I did when I
was there - But when and if
I do know any thing I'll let
you know - I plan to be back
up that way some time this
Summer.

Hope all is well with you
and yours and that your
mother is still improving -

Thanks again for your
help and kindness

Respectfully -

Beverly Warren
