

Sunday,

Dear Ruth and Ty

I have been busy with school work and would have written sooner. The fort is here and I play with it a lot. We have put the gun back up and it looks good. Thanks for the nice pygamas I am reading the book it is interesting. George took me out to shoot the gun I hit the target

George has been sick at home  
all week and still is.

Annex is going to take me  
to the dentist in the morning  
and she will write what  
he says about my teeth.

Thank you both for all my  
good Christmas presents

We had fun with you. I  
hope this New Year brings  
lots of health and happiness  
to both of you

Love,

George
