Generation No. 1

1. JOHN² WILLINGHAM (*JOHN¹*) was born Abt. 1660, and died Unknown in Charles City Co. Virginia. He married **ELIZABETH** Abt. 1679. She died Unknown.

Notes for JOHN WILLINGHAM:

The two children, William and Isaac, were given to me from Irene Cook. She states that from "Willingham Family, Eight Generations" compiled by Donna Williams, Anniston, Alabama.

Possibly John & Elizabeth must have come to America in the mid or late 1600's. From 1704 onward there are recorded 3 young Willingham brothers all living together in Prince George Co., Virginia. They owned about 400 acres of land. Ref: Bristol Parish Reg. Some researchers only have John & Elizabeth as having 3 sons. I have added William & Isaac and when this is proven right or wrong I will make corrections...Nancy Leeg Jankowski

This is some of what I know about Gerrald Willingham:

Gerrald Willingham b. 1 Aug 1734, son of John and Mary Willingham. [Bristol Parish, Virginia records]

Father of Gerrald Willingham is John Willingham d. 1751 Lunenburg Co., Virginia who named son Gerrald in his will. [Will Bk. 1, 1746-1762, pp.38-9d].

Gerrald (1734-1792) first appears on tithe list in 1751 Lunenburg Co., Virginia on land of Thomas Sturdevant (guardian?, Gerrald would be 16 and his father would have just died).

Gerrald appears on the tithe list of 1752 Lunenburg Co., Virginia on the land of Mary Willingham, his mother; also he appears 10 June 1764, 10 June 1769, 1772, 1773, 1775, 1776 on the Cumberland Parish, Lunenburg Co. Then, from Dr. Katherine Woerner:

Notes for MARY JOHNSON:

The following information came from Dr. Katherine Woerner <klww@hctc.net> and is posted on <http://www.geocities.com/Heartland/Pointe/2070/willingham.html> belonging to Nancy Leeg Jankowski.

Court action Stephen Wood and Ann Wood Vs. Estate of Joseph Johnson of Lunenburg Co., Virginia Court, Sept 1761? Ann Johnson, daughter of Joseph Johnson ...dispute between Joseph and his son in law Stephen Wood and also with another of his sons-in-laws, Jarrell Willingham m 1855 Mary Johnson... see Lunenburg co. Court order book No.7 pages 117-119 for suit brought by Jarrel and Mary (Johnson) Willingham against Joseph Johnson, father of Mary on 3 Mar 1761 when Joseph Johnson's will was presented in court for probate, Stephen Wood, Jarrell Willingham and Joseph Williams were listed as the executor's sureties (Lunenburg Co. will book 2, p. 28.

The above court action proves that Mary Johnson, daughter of Joseph Johnson with the 1761 will in Lunenburg Co., Virginia, is the wife of Jarrell Willingham. Jarrell Willingham B. 1 Aug 1734 is shown in the Bristol Parish, Prince George Co. Birth Records as the son of John Willingham (1751 will in Lunenburg Co., Virginia) and Mary.

Dr. Katherine Woerner believes that it is possible that John could have also been married to a Mary Johnson, perhaps the sister of Joseph Johnson, son of Stephen Johnson, whose (Joseph) daughter, Mary, married Jarrell Willingham. So Mary Pate being his wife is not written in stone. It is also a possibility that he may have been married two times maybe first wife was Mary Johnson and second wife Mary Pate.

05-13-2000. This entry by Katrina M. Piper. Noting the continuing pattern that children, usually sons, but sometimes daughters, are given the middle name of their mother's maiden names, or even grandmother's maiden names. Could Pate have been the case?

25. WILLIAM BROOKS⁶ WILLINGHAM (*JOHN⁵, THOMAS⁴, JOHN³, JOHN², JOHN¹*) was born 1775, and died 1838 in Loganville, Walton Co., Georgia. He married MARY MOON[?] 1794 in Columbia Co., Georgia. She died Unknown.

Notes for WILLIAM BROOKS WILLINGHAM:

Estate records for William are found in Walton Co. Court records. In 1835 he bought lot 190, 4th district, Walton Co. In 1841 John Kyle Willingham sold 150 acres of this lot. There is no records of him obtaining it. In 1842, the same 150 acres was sold at auction as a result of a suit against the estate of William B. Willingham. John K. was also involved in a dispute over the ownership of a slave that had been the property of William B. The fact the John K. would sell property of William B. that he had not bought (he wasn't the executor of the estate) may indicate that he was a son who thought he had the right to dispose of the property. It seems that William B. and John C. are the most likely candidates for the father of John Kyle, and the most evidence is in favor of William B. being his father. -NLJ

27. LUCRETIA⁶ WILLINGHAM (*JOHN⁵, THOMAS⁴, JOHN³, JOHN², JOHN¹*) was born 1779, and died Unknown. She married JESSE MOON³⁶ Aft. 1820. He was born February 24, 1776, and died Unknown.

Notes for LUCRETIA WILLINGHAM:

Note: Jesse does not have a female in his 1820 household of an age to be a wife, unless she was much younger than he was. The oldest female in the 1820 household was age 10-16. Thus it is not clear when he married Lucretia. However, it was likely that he married her after 1820 and that only the last three children born in Columbia Co. GA were Lucretia's children....notes of Karen Dale who has posted her findings on Rootsweb World Connect.

<http://worldconnect.rootsweb.com/cgi-bin/igm.cgi?op=GET&db=gamoons&id=113>

Notes for JESSE MOON:

~From the obviously well-researched data of Karen Dale. She has posted her findings on Rootsweb World Connect at:

<http://worldconnect.rootsweb.com/cgi-bin/igm.cgi?op=GET&db=gamoons&id=113>

Most of the Moon files, based on William H. Moon's book, have the children of Jesse Moon hopelessly scrambled. Some are listed as children of Rachel, despite the fact that they were born AFTER he was supposedly having children by Lucretia. I have rearranged them in an attempt to make sense of the problem--based on marriage and census records of as many of the children as I could find. Since some of these children were quite young when Rachel died, they may have considered Lucretia their mother, but census records indicate all of Jesse's children born before 1820 were by his first wife. Wm. H. Moon "researched" this family by simply asking people for information. Descendants of the younger children--who grew up with Jesse's second wife--would quite naturally have said their mother was Lucretia (if indeed that was the name of Jesse's second wife), but the records indicate otherwise. He also had two children no one lists for him--the Elijah Moon born abt. 1799 (who is usually assigned to Thomas and Lucretia), and Lucretia, born abt. 1800, who was married to Raleigh Sanders Willingham (notes on each child for supporting documents).

There are no marriage records for Jesse anywhere in Georgia, no proof of William H. Moon's claim that he married 1) Rachel Willingham 2) Lucretia Willingham, and 3) Polly Brown, but until further evidence surfaces, I have used Wm. H. Moon's assertion that Jesse's first two wives were Rachel and Lucretia Willingham. The names of their children certainly include Willingham names.

Columbia Co. tax list, 1812:

Jesse Moon 25 slaves, 475 acres adj. Neal and Willingham on Sullivan's Creek, 130 acres adj Collins and Cole on Cane Crk.

1820 census, Columbia Co. GA, Dist. 11

Jesse Moon 2 0 0 1 0 1 3 1 0 0 0 0

2 males under 10

1 male 16-26

1 male over 45

3 F under 10

1 F 10-16

There should be at least 4 males: Thomas B. born 19 Jun 1810 would have only been 10 years old (so is his birthdate wrong or did the census taker put him in the wrong slot? This slot does fit Elijah, but then one son is missing); Madison b. 1815, Lewis M. b. 1818. There should also be at least 3 females: Sandal b. ca 1804, Rachel b. ca 1804, Nelope b. 1816. Some files have a Patsy born ca. 1803--but Jesse had another child born 1824 who was Martha, so I think "Patsy" was an error since it is almost always a nickname for Martha.. Apparently in 1820, Jesse did not have a wife.

Other children born before 1820:

Elijah: not in the 1820 census on his own--is he the male in Jesse's household 16-26?

Lucretia married Raleigh Sanders Willingham about 1815.

John Willingham who married in Feb. of 1820, was probably elsewhere.

Mary "Polly" Moon who married Burton Baggett is often given a birthdate of 11 Dec 1810--she wouldn't have made the census; however, I think that birthdate is based on the gravestone of the SECOND wife of

Burton Baggett, whose name is given as Rachel (maiden name may be Rutledge) on the 1860 census, Cobb Co. and that Mary/Polly IS one of the four daughters in the 1820 census, probably born ca. 1806.

1850: the following Jesse Moon in Chambers Co. AL is probably Jesse, born NC, age 74 in 1850. The young wife named Mary also fits the story Wm. H. Moon tells about his marrying a third time to a Polly Brown and moving to AL (Wm. H. said Randolph--and Mary Moon was in Randolph in 1860).

[Note: thanks to Edith Wertz and Michelle Cabiness for this census record!]

Jesse is not on the Chambers slave schedule for 1850, but Mary A. Moon is--with six slaves.

In 1860, Jesse Moon was in the household of a J.N. Hardy in Cobb Co., next door to the household of John Willingham Moon, his oldest son. His third wife, Mary, was in Randolph Co. AL(see notes under Mary).

I do not know who J.N. Hardy was, but he was probably the son of the J.W. Hardy whom Temperance Baggett, sister of Burton Baggett (who married Polly Moon). married. Her first husband was Roberts; Charles Roberts in the Hardy household was her son.

Temperance Baggett, born Jan. 13, 1795, daughter of Allen Baggett, 1762-1823, of Anson County, N.C., and Walton County, Ga., m. Allen Roberts. Lived in Anson Co., N.C., 1820 (1 male under 10, 3 females under 10). Allen Roberts was a purchaser of the estate of Allen Baggett in Walton Co. in 1825 and a legatee in 1827; lived in Gwinnett Co., 1830 census. Temperance married 2nd John W. Hardy. Living next to Burton Baggett (son of Allen) in Powder Springs on the 1860 census of Cobb County were J.W. Hardy aged 80, b. N.C., wife Temperance 60 N.C., Allen B. Roberts 23, N.N. Roberts (female) 30, T.S. Roberts (female) 25; also nearby was J.N. Hardy aged 41, Sarah 38, Charles Roberts 18, Jesse Moon 85, born in N.C. Temperance lived with daughter Minerva, aged 45, in the Oregon District of Cobb, 1870. (Buried Poplar Springs Ch., Hiram, Paulding County, Ga.: J.N. Hardy, Feb. 1, 1818 - Sept. 16, 1900, 2nd wife Martha, 1824-1903.)~ Joe Baggett, editor, "Baggett Family Newsletter," baggettj@aol.com

Jesse supposedly died in 1873 at the home of his brother Joseph in Walton Co. I have not been able to find him in an 1870 census.

28. RACHEL⁶ WILLINGHAM (*JOHN⁵, THOMAS⁴, JOHN³, JOHN², JOHN¹*)³⁷ was born 1780, and died Bef. 1820. She married **JESSE MOON³⁸** Abt. 1798. He was born February 24, 1776, and died Unknown.

Notes for RACHEL WILLINGHAM:

Reseacher Karen Dale states:

There is no hard evidence that Jesse married two Willingham sisters. William H. Moon said he did, and until additional evidence surfaces, I will accept that assumption. However, according to census records, Rachel died before 1820 when Jesse had no wife in his household. Therefore, all of Jesse's children born before 1820 were Rachel's, not her sister Lucretia's.

There is also no evidence that John Willingham and wife Ann had daughters Rachel and Lucretia. Without evidence, there is only "family tradition" and Wm. H. Moon to fall back on.

The data on Daniel Cook and his descendants is courtesy of *Janie Healer Davis*. All through 2003, Janie and her mother have traveled throughout Texas meeting new-found relations in the Willingham and Cook lines of their family. Janie has taken numerous photos of cemeteries, headstones, etc., to have birth/death dates of family found. She and her mother enjoyed meeting their cousins, listening to their family stories, and learning about more descendants of Daniel Cook's line.

Through Janie's grassroots efforts, family photos have been found and shared, and new friendships formed. It has been a wonderful testimony to the good and friendly people of Texas and the strength of family ties. October 2003...kmp

Notes for BENJAMIN YOUNG:

I was going back through some of the stuff Charlene sent and found the sheet that listed Benjamin Young's burial place! (I'm sorry, Charlene, I don't know how I missed it in the package when you sent it to me!) It's listed as an unnamed cemetery near Kirk (Limestone/McLennan Counties) about 5-1/2 miles from Mart, Texas. It lists Elder Benjamin Young, b. 9/07/1814, d. 8/15/1898. I'm currently in touch with two gentlemen who have postings on Ancestry.com about a Benjamin Young with the same birth and death dates. His first wife (?) was Rebecca Blewett and they had seven children (according to one of the guys). Now we know that Elizabeth wasn't out here in West Texas in 1903 because of Elder Benjamin Young's pastorate---he was dead and buried in Central Texas!...Janie Davis August 2003

Notes for JOHN C. WILLINGHAM:

[There were two John C. Willinghams in Kentucky at the same time frame and both had a wife named Elizabeth.](#)

I have now received what I feel is proof that the John C. Willingham that was married to Elizabeth J. Brown was not the same John C. Willingham that was married to Elizabeth J. Shelton. Descendant Kenneth D. Willingham found death certificates, birth records, marriage records, etc., documenting his claim that his great-great grandmother was Elizabeth J. Brown as his aunts, uncles and grandparents told him. Besides the Kentucky and Arkansas documents, he also has a tin-type photograph of Elizabeth J. Brown Willingham which lists her birth & death year and stated she was the wife of John C. Willingham.

Kenneth also researched Elizabeth J. Shelton and found that she, too, existed, and that she, too, was married to a John C. Willingham. Kenneth learned that the two John C. Willinghams existed in the state of Kentucky at the same time - one in Henderson County and the other in Graves County, Kentucky. His research states that the write-up on the John C. Willingham that married Elizabeth J. Shelton is in the Memorial Record of Western Kentucky, LewisPublishing Company, 1904 pp 726-727, Graves.

Kenneth D. Willingham's ancestor, John C. Willingham was the son of Jarrett Willingham and Marion Freels and was from Henderson Co., Kentucky.

On the 1850 US Census, District 1, Graves Co., Kentucky, M432_201, pg 458, image 510, dwelling 484; J. C. Willingham, age 35, is living next door to A. H. Willingham, his wife Mary, and children Pulaski, William, James, Burton, Alexander, Mary, Nancy and Amy.
With J. C. are his wife Elizabeth, age 36, and two sons - Alexander 3, and Jeremiah 1.
A. H. and J. C. Willingham are brothers, sons of Isaac Willingham.

The other J. C. Willingham appears on the same census in Henderson Co., Dist 1, family 365:
John C. Willingham, age 27, wife Elizabeth, 27, daughter Nancy 7, dau Isabella U. 4, dau Lucy A. 2, and son, William H. 5/12. In the dwelling prior, #364, is Elias Willingham, wife Amelia and their children.

Notes for NANCY ELIZABETH COOK:

The grave marker is now at Nancy Elizabeth Cook Myers' grave at Rose Hill Cemetery in Merkel, TX. As you can see by the attached photograph, her grave was previously marked with a rock. She is buried beside her husband, William Thornton Myers, who is next to their son, Hosea F. Myers.

Just as a refresher, Nancy Elizabeth Cook was a daughter of Daniel & Elizabeth Cook. She married W. T. Myers and had several children (not only Hosea). However, Hosea married Aunt Eva Oliver (Warner Earl Cook's 2nd wife's daughter), but was kicked in the head by a mule and died just a month before their daughter, Lena, was born. Therefore, we like to think us as "double kin" to Aunt Eva Oliver Myers Blackburn.....Janie Healer Davis

There are conflicting dates of birth for William Columbus Willingham. One source on Ancestry -formerly named Gene Pool of Individual Records, now named Family Data Collection, shows his year of birth as 1847. Yet, this database does show his mother as Anna Elizabeth Olive, who married the father in 1969.

Some researchers have William Columbus' birth in 1873, and others in 1884. I have not found actual birth records to verify his date of birth.

Notes for **JOHN C. WILLINGHAM**:

There were two John C. Willinghams in Kentucky at the same time frame and both had a wife named Elizabeth.

I have now received what I feel is proof that the John C. Willingham that was married to Elizabeth J. Brown was not the same John C. Willingham that was married to Elizabeth J. Shelton. Descendant Kenneth D. Willingham found death certificates, birth records, marriage records, etc., documenting his claim that his great-great grandmother was Elizabeth J. Brown as his aunts, uncles and grandparents told him. Besides the Kentucky and Arkansas documents, he also has a tin-type photograph of Elizabeth J. Brown Willingham which lists her birth & death year and stated she was the wife of John C. Willingham.

Kenneth also researched Elizabeth J. Shelton and found that she, too, existed, and that she, too, was married to a John C. Willingham. Kenneth learned that the two John C. Willinghams existed in the state of Kentucky at the same time - one in Henderson County and the other in Graves County, Kentucky. His research states that the write-up on the John C. Willingham that married Elizabeth J. Shelton is in the Memorial Record of Western Kentucky, LewisPublishing Company, 1904 pp 726-727, Graves.

Kenneth D. Willingham's ancestor, John C. Willingham was the son of Jarrett Willingham and Marion Freels and was from Henderson Co., Kentucky.

from Kenneth - <http://genforum.genealogy.com/willingham/messages/1453.html>

"The John C. Willingham married to Elizabeth J. Shelton is the son of Isaac Willingham and Mary Collins as stated in the memorial record.

My Great-Great Grandfather John C. Willingham is the son of Jarrett Willingham and Marion Freels.

The two John C. Willinghams are first cousins, once removed.

Now, I have something for you to try and research with your contacts. I have proof that this John C. Willingham of Graves County, Kentucky left Elizabeth J. Shelton a widow and that she remarried a Robbins. I am trying to see where this relationship led. Let me know if you find anything out."

- i. JAMES COLEMAN⁹ CRAIG²⁰³, d. Unknown.

Notes for JAMES COLEMAN CRAIG:

"A HISTORY OF THE DAVIESS-McLEAN BAPTIST ASSOCIATION IN KENTUCKY, 1844-1943" by Wendell H. Rone. Probably published in 1944 by Messenger Job Printing Co., Inc., Owensboro, Kentucky, pp. 381-382. Used by permission. [Rockcastle]

JAMES COLEMAN CRAIG: James Coleman Craig is perhaps the oldest living minister who has labored within the bounds of this Association. He is the son of John W. and Louise Willingham Craig and was born on February 18, 1861. In consequence he is now eighty-two years of age. He found the Lord in the forgiveness of his sins in the year 1875 at the Cherry Hill Baptist Church in Henderson County under the preaching and ministry of the sainted Elder J. B. Haynes. His baptism took place soon after his conversion [sic].

Brother Craig secured a common school education and attended one term at Bethel College in Russellville, Kentucky. He was a farmer before entering the ministry and continued in that work most of his life after entering the ministry. He was licensed to preach by the Robards Baptist Church, Henderson County, Kentucky., in 1893. This same Church ordained him to the ministry on May 25, 1894. The council was composed of Elders J. M. Sallee, David Whittinghill, and I. M. Wise.

From first to last our brother served sixteen Churches in this Association. They were: Curdsville, Green River, Mt. Vernon, Brushy Fork, Karn's Grove, Red Hill, Delaware Creek, Old Buck Creek, Hopewell, Newman, Griffeth, Richland, Rumsey, Onton, and Bethel. He also served Sebree, Niagara, and Bluff City, in Henderson County; Panther Creek, Ohio County; Chrisney and Grandview in Indiana; and Ozark, Illinois He served Curdsville Church for sixteen years and Green River and Mt. Vernon Churches for ten years respectively.

He was married to Miss Ophelia F. Smock, daughter of J. T. and

Mary Ann Smock, on February 24, 1881. She died on April 22, 1921. His wife was a Methodist but united with a Baptist Church after her husband began to preach. She was an efficient and consecrated helpmate to her husband and his success in the work of the Lord was attended largely by her support. They had no children.

Brother Craig spent more than forty years in the service of the Churches of this Association. On many occasions he has ridden on his horse over a distance of from thirty to forty miles to fill his appointments because the roads were too muddy to travel by buggy. Many of his appointments were often met after he had walked for several miles. He built new meeting houses at Delaware Creek and Green River Churches. Delaware Creek Church was constituted as the result of a meeting conducted by he and Rev. W. D. Cox. For many years he served on the Executive Mission Board of this Association and on one occasion preached the annual sermon before the Evansville Association.

Since about 1935 our brother has retired from active work among the Churches and looks back to a work well done. His humble opinion of his abilities and accomplishments is inspiring. Though he started late in life nevertheless he accomplished a good and lasting ministry.

From this information from the 1850 Census of Henderson Co., Kentucky, the Elijah here, if our Elijah, would then be about two years older than his wife, Betissa. Since their first child was born 1851, this 1850 family would be a logical choice as Elijah's birth family.

Notes for JAY WILLINGHAM:

The following was taken from the book "Memorial Record of Western Kentucky", Volume I and Volume II, Lewis Publishing Company, 1904, pp. 81-83. Carlisle Co.

Jay Willingham is an efficient county officer, now filling the position of sheriff of Carlisle county, and the trust reposed in him is well merited, for he most faithful to his duty and loyal to the obligation which devolve upon him. He was born in what is now Hickman county, at Spring Hill, Kentucky., on the 4th day of March, 1850 and is a son of Thomas T. and Sallie (Reese) Willingham, the former a native of Henderson county, Kentucky, while the latter was born near Murray, Tennessee. The paternal grandfather of our subject, Jarrett Willingham, became an early settler of what was then Ballard but is now Carlisle county. He cast in his lot with the early settlers in the county of Cunningham and was there connected with agricultural pursuit for man years, dying at an advanced age. The maternal grandparents of our subject were James and Rebecca Reese, who came from they native state of Tennessee to Kentucky, establishing their home near Spring Hill. In their family were the following children, James, Joel, John, Sallie and Betsey, all of whom are now deceased.

Thomas T. Willingham was reared in Carlisle county, and wedded Miss Sallie Reese, whose birth was in Hickman County. They lived near Spring Hill for thirty years, and then came to Carlisle county, settling in its western district near Arlington. There they spent their remaining days. The father was a farmer by occupation, following that pursuit throughout his entire life in order to provide for his family, and in his undertakings he prospered because he was energetic and industrious and because of his keen foresight in business matters. He served his locality as magistrate for several years, and gave an unfaltering support to the democracy. Both he and his wife were advocates of Christian living, and were loyal members of the Missionary Baptist Church. He died when seventy three years of age, and his wife passed away at the age of seventy-two yrs. Their children were as follows: Margaret, who is the widow of Thomas Sullenger and resides in California; Alpha, who is the widow of Thomas Ellis and is living in Carlisle, Kentucky; Maria, the deceased wife of Marion Patterson; Mary, the wife of Brit Glenn, of Carlisle county; Jay; Richard, a miller of Carlisle; Robert, a machinist of Bardwell; and William, who was the third of the family and died while serving in the confederate army during Civil war.

Jay, was reared upon his father's farm, and in his youth attended the country schools. He began the battle of life for himself when almost nineteen yrs of age as a farmer, and for twenty yrs. carried on agricultural pursuits in Carlisle. He then engaged in the stave business, which he followed for a year and on the expiration of that period resumed farming, which continued to claim his time and energies until he was called to public service. He became deputy sheriff in 1898 and served in that capacity until 1900, when he was appointed to fill out the unexpired term caused by the resignation of F.P. Fisher as sheriff. At the regular election Mr. Willingham was then elected to the office, and is the present incumbent. He discharged his duties without fear of favor, and is a most loyal custodian of the public peace.

Mr. Willingham was united in marriage to Miss Jennie Thompson, a native of Alabama., and they have become the parents of three children, Edward, Inez and Shirley. They were married in 1881, and have since traveled life's journey happily together. They hold membership in the Missionary Baptist church, they enjoy the high regard of all with whom they are associated. Jay is identified with the independent order of Odd Fellows and is true to the beneficent teachings. He deserves much credit for his success in life, and may well be termed a self-made man, for whatever he possesses has been acquired through his own perseverance, discriminating efforts. He started out in life on his own account empty-handed. and steadily has worked his way upward, overcoming all obstacles in his path by determination and resolute purpose.

ROBERT O. WILLINGHAM, JR.

Robert O. Willingham, Jr., the popular deputy clerk of Carlisle county, where for six years he has filled the position, was born upon a farm in this county, March 17, 1879. His parents were Robert O. and Fronia (Sanford) Willingham. The former is a native of Carlisle county and is a son of Thomas T. and Sallie (Reese) Willingham, one of the pioneer settlers of what is now Carlisle county. From that time to the present representatives of the name have been prominent and active in advancing measures and movements for the general good, and the Willingham family has ever been an honored one here. The father of our subject still resides in Bardwell, and is one of the leading and influential citizens of the town and county.

Robert O. Willingham, Jr., obtained a fair common school education and then turned his attention to the mastery of a commercial course. He had the misfortune to lose his right hand, and in order to fit himself for a position in the business world he entered the Falls Business College of Nashville, Tennessee, where he pursued a course in stenography and type-writing, becoming very proficient therein, so much so that since that time he has engaged in teaching those branches to a greater or less extent in Bardwell. When only eighteen years of age he was appointed deputy county clerk, and has since acted in that capacity, displaying unusual fitness for the position. After studying law in the office of W.J. White, of Bardwell, until qualified for practice, he successfully passed an examination whereby he was admitted to the bar in 1901. Realizing the difficulty confronting a young man in the building up of a law practice among old and prominent lawyers, and being under necessity of applying his efforts in lines which would give him quicker returns of revenue than would the practice of law, he accordingly turned his attention in other directions. For one year Mr. Willingham served as a stenographer in the law office of the Hon. R. J. Bugg, of Bardwell, but since then he has devoted all of his time and attention to his duties as deputy county clerk, much of the work in the office devolving upon him, because Mr. Young, who is his superior in office, is largely engaged with his duties as cashier of the People's Bank of Bardwell.

Mr. Willingham is a member of the Baptist church, and belongs to the Independent Order of Odd Fellows. He is a popular young man, energetic, enterprising, genial and affable, and he has many friends in his native county.

Notes for WILLIAM JEROME WILLINGHAM:

In the following biography from "A History of the State," Battle, Perrin, Kniffin 1st Ed. 1885,, it cannot reflect the son born in 1888 to the union of William Jerome Willingham and Maggie Elizabeth Roach. That son, Alexander Hamilton Willingham was born 18 Aug 1888. His birth certificate states his father was William Jerome Willingham and that his mother was Maggie Roach. This same data was found on Alexander Hamilton Willingham's application for Social Security Account number.

"A history of the State," Battle, Perrin, Kniffin 1st ed., 1885 reprinted 1972 by Kentucky reprint Co., Murray, Kentucky. Graves Co.

WILLIAM JEROME WILLINGHAM was born June 6, 1836, in Graves Co., Kentucky., where he still resides.

His father, Alexander H. Willingham, was a native of Henderson Co., Kentucky., born in 1809, and died in Webster Co., in 1882, a State senator at the time of his death. He carried the first United States mail from Wadesboro to Iron Banks (now Columbus), Kentucky., was sheriff many years, and six times represented Graves Co. in the legislature. He was the son of Isaac, a Virginian, one of the first settlers in the purchase. Subject's mother, Mary H. (Murray) Willingham, of Henderson Co., died in 1850, at the age of thirty-nine yrs. Alexander H. was thrice married, and his child by his first wife is Pulaski M. By his second marriage: subject, James M., Benton P., Mary E. (Hardwick), Robert and Nancy E. Willingham. By this third wife: Amey J. (Walker and Couch), Kittie A.(Hall), Campbell H., Lucy A. and Susan A. (Eades). In youth subject was favored with a good education and is an extensive reader. He was married in 1865, to Miss Sarah A., daughter of J. W. Willingham, of Graves County. She was born Sept. 29, 1847, and died Jan. 12, 1872. From this union sprang William M. and Jennie R. On Jan 6, 1876, subject married Miss Maggie E., Daughter of William R. and Mary A. (Burgess) roach, of Franklin Co., Mo. (born October 29, 1850), and to them were born: James S., Bessie R., Oscar T., Daisey and Grover Cleveland. Mr. Willingham, our subject, commenced merchandising at water Valley in 1874, and has been very successful. He served four yrs.

during the late war in the Twelfth Tennessee. and Third Kentucky. infantry, confederate cause. In Politics he is a democrat. (I got the above off of the internet-Willingham.wj.txtatwww.starbase21.com)

CONFEDERATE VETERAN

Lieut. W. J. Willingham, a member of Jim Pirtle Camp, U.C.V., of Fulton, Kentucky., the last of four brothers who served the confederacy in the sixties, fell on sleep the night of July 31, 1921, after a few days illness. He had reached the age of eighty-six years: was born and lived nearly all of his time in Graves Co., Kentucky., with the exception of the last seventeen months. When war was declared in 1861, Comrade Willingham volunteered his services to his country; but as Kentucky., had not then gone into the fray, he joined the 12th Tennessee. as a member of Co. E, and fought with them twelve months in the rearguard; he was then transferred to the 3rd Kentucky., for the rest of the war, and was paroled on Jun 22, 1865.

Lieut. Willingham was married to Miss Sarah Willingham(A cousin) just before the close of the great struggle, and afterwards settled down on a farm close to his childhood home. A few yrs later, his wife having died, leaving two children, he moved to Water Valley, Kentucky., in the same county, and went to merchandising, in which he continued for many yrs, during which he married Miss Maggie Roach, and to them were given seven children. This wife died some thirty yrs. ago. Eight of his children survive him. He loved to recount his thrilling experiences in the sixties and had been an enthusiastic reader of the Veteran since the first; he seldom missed a reunion of his comrades. At the age of fifty-five he professed faith in Jesus Christ and tenaciously clung to the old John Wesley pats until death. In sadness is this humble tribute paid to his memory, trusting all is well with his soul. (One who loved him---M.H.W.)

William Jerome Willingham shot Roy Willingham (son of John Willingham & Sarah Strak- Grandson of Lafayette Francis/Louiza Bennett) . He caught him stealing chickens, so he shot him with squirrel shot and put out one of his eyes.

William Jerome hid a lot of his belongings at Cull's (brother of Roy) house so his 3rd wife who was much younger then him wouldn't get it. She wanted his pension from the civil war.

Data from the William Jerome Willingham tombstone inscription, found in the Willingham Cemetery, between Pilot Oak and Wingo, Kentucky, on the back side of the farm now owned by Boaz House, Graves County, Kentucky; read by Jerry Walston and William D. Yates, 1981.

Notes for FOSTER WILLINGHAM:

Mayfield, Kentucky., Tuesday afternoon, Aug. 18 1908-The daily Messenger newspaper.

TRUE FACTS ARE HARD TO SECURE: Coroner Jury fails to discover anything except that James Willingham fired fatal shot. Foster Willingham, who was slain by brother buried Tuesday. Salyer left and has not been heard from, Missing rope ;suggests probable suicide. Coroner's verdict. "We the jury after hearing the evidence, find that Foster Willingham came to his death on the morning of the 17th day of Aug. 1908 at the home of his brother, James Willingham near Cuba Graves county, Kentucky., by a shot fired from a gun in the hands of James Willingham. signed by the juries Oscar Alexander, W. A. Davidson, J. A. Williams, G. W. Webb, O.W. Walston".

Coroner D. A. Saffold returned Monday evening from the home of James Willingham, two miles west of Cuba, where he conducted an inquest over the body of Foster who was shot and killed by his brother Jim Willingham. The verdict of the coroner is found above.

Mr. Saffold found it a difficult matter to arrive at the true facts leading to the tragedy. It was found, however, that Foster was shot while in his own bed, which is in the same room of that occupied by Jim and wife as their sleeping quarters.

Mrs. Willingham and the mother of the Willingham boys refuse to make any statement regarding the affair.

The body of Foster when the Coroner arrived was in the bed where he had usually slept. He was lying on his back with his eyes closed as if he had been asleep.

pistol of .32 caliber Smith & Wesson was lying in the bed near his right hand. The shot that caused the death of the young man entered under the right nipple and went through the lungs ranging upward toward the left shoulder, but did not penetrate the entire body. Showing that the gun was fired at close range, the shirt on Foster and the quilt covering his body caught fire. The weapon used was a single barrel, 12 gauge breech loading shotgun. None of the shot scattered and all centered the body in a bunch.

After the shooting James reloaded the gun and placed it back on a rack in the kitchen where it had always been kept. He went to the home of John Dobson, half a mile away, where another brother was notified by telephone. He told Mr. Dobson to tell his brother that he had killed Foster and that he had to do it. He then left Mr. Dobson's house and went towards the woods. Mr. Dobson later missed a rope from his house and a short while afterwards he heard a shot down in the woods and some people have advanced the theory that Willingham may have committed suicide.

James had gotten out of his bed and gone to the kitchen to make a fire in the stove. The rumor that Foster had left his bed to go to the bed of James could not be verified, as those acquainted with the facts refused to reveal anything.

One of the children of James said that about three weeks ago her father and Foster had a quarrel and did not speak for a week, but that they had not been quarrelling for several days.

Others corroborated the child by saying that the trouble had been "patched" up.

The man who did the killing is about 35 years old, while the dead brother is about 20. The latter was boarding with his brother and working on a neighbor's farm. Up to a few months ago he had been down in Mississippi making his home. On Saturday previous to the killing he and some other young men had been arranged before the magistrate charged with killing a dog.

The father of the men was Polk Willingham, who has been dead a number of years.

The burial took place at Little Bethel, near Wingo Tuesday.

JAMES WILLINGHAM DIES ON HIS NATIVE SOIL

Killed brother , Foster over two years ago. Left county and never returned until last week when taken ill. Mr. Jim Willingham, whose home was in Calloway county, came over to Cuba this county on some business and while there took sick with dropsy and died Tuesday, Oct. 4th, and was buried at Dodson grave yard Wed. Oct. 5th. This is the Mr. Willingham who killed his brother a few years ago near Cuba, after which he left his home and moved with his family to Calloway county. He was never arrested or tried for the killing of his brother, because it was always understood that it was done absolutely in self defense. It is reported that wile on his death bed the other day, he was conscious of the fact that the killing had to be done to save his own life, that he said that if the whole thing had to be done over again he would do as he had done. The only regrets that he had was that he was forced to commit the deed Norder to save his own life.

Mr. Willingham left a wife and several children and was always a man highly respected in that section. He died at the home of Joe Taylor, two miles from Cuba.

He shot his brother about 5o'clock on the morning of Aug. 17, 1908. It seemed then that the shooting was the result of some family trouble. James and wife and Foster slept in the same room. The weapon used was a shot gun and he was shot through the nipple while in bed. A pistol was found by the side of Foster and the facts that were brought out at the inquest were that James fired the shot to save his life. After the shooting James escaped and had never been back to Graves county until last week when he returned very ill. It is said that he had been living the in the edge of Calloway county in the mountains near the Tennessee. Line. It was also learned that he never told any person in that section where he was from or imputed any information regarding his past life. Foster was about 20 years old at the time he was killed.

Notes for IDA FLORETTE WILLINGHAM:

I am looking for information on Ida Willingham born in Missouri? She had several siblings but only ones that I know of are two sisters Annie and Ara and a brother John who lived in Sikeston, Missouri. It is rumored that John ran with the Jesse James gang.

They were descendants of Lord Baltimore. Ida married Guy Nelson from Arkansas and they had six children one being my great grandfather Milton Nelson who married Christina Rogers in 1923. If you think that there may be a connection or have any information please email me and I will also share the information that I have. Thanks and Good Luck. Notes for JEREMIAH T WILLINGHAM:

Memorial Record of Western Kentucky, Lewis Publishing Company, 1904, pp 726-727 [Graves]

Jeremiah T. WILLINGHAM, one of the well known men of Graves county, is a native of this county and has lived in the state all his life, so that he is an out and out Kentuckian in all that term implies in the way of business shrewdness, generous hospitality and ability to enjoy life in all phases and under all conditions.

Mr. WILLINGHAM has followed both mercantile and agricultural pursuits, and is denominated as a hustler in whatever he undertakes. He is a thorough business man in demeanor and action, makes his efforts count in every direction, and handles his affairs with an independent energy that brings returns. He has also been a citizen of the highest reliability and public spirit, and he has the honor of being one of the youngest veterans of the Civil war in the state.

Mr. WILLINGHAM is of English ancestry, and his parents and grandparents on both sides were of Virginia birth. He was born in Graves county, Kentucky, July 11, 1849, and is a son of John C. and Elizabeth J. (Shelton) WILLINGHAM, the former a son of Isaac WILLINGHAM, and the father of the latter was a Baptist minister. Mr. WILLINGHAM was reared in Graves and Calloway counties, receiving his education in the latter, and as soon as he reached the proper age he engaged in farming on his own account, having been used to that line of work from childhood. On January 2, 1863, when he was not yet fourteen years old, he enlisted in the Union army as a member of Company D, Sixteenth Kentucky Volunteer Cavalry. This company was afterwards consolidated and became Company M, Sixteenth Kentucky Cavalry, and in this Mr. WILLINGHAM served till the close of the war, when he returned home with all the honors and privileges of a veteran, although he was still a boy. Mr. WILLINGHAM after a time gave up farming and embarked in the mercantile business at Jordan Station, Fulton county, Kentucky, where he carried a general line of dry goods, groceries, etc., and conducted a successful trade for twelve years. In 1892 he located on a farm in Fulton county, and was there until 1899, at which date he returned to his native county of Graves, and has since resided on a beautiful farm of one hundred and sixty acres four and one-half miles from Mayfield. This is a valuable piece of property, and his progressive methods of cultivation make it profitable and one of the model farms of the vicinity.

Mr. WILLINGHAM follows the political trend of the state, and has always voted the Democratic ticket. In 1870 he was united in marriage to Miss Lucy Scarce, who was born in Fulton county, Kentucky. Eight

children have been born to Mr. and Mrs. WILLINGHAM, as follows: Margaret E., Ester May, Edward E., Mand, John E., Myrtle, Robert F. and David W. Mr. and Mrs. WILLINGHAM are noted for their generous hospitality among a people who possess this virtue in a marked degree, and they are held in high esteem by all who have the pleasure of their acquaintance.

...We're going to Vernon tomorrow night for a football game. We'll be just 75 miles from Willow, OK, where some of David Price Thomas, Sr.'s descendants still live. So, we're going to make that extra 75 miles. In fact, they still own the old homeplace. The Willow area is where David Price, Jr. and Rebecca Thomas lived after they left the Graham, TX area when David's daddy (Sr.) died. Jr. and Rebecca are buried in the Willow area. We'll be seeing some of Jr.'s son Crawford's children (they are in their 80's). They are looking forward to our visit. Finally getting to talk to someone that's alive!!! These people are relatives of Warner Earl Cook's first wife, Frances Elizabeth Thomas, who died shortly after giving birth to twins Lola and Lenard in Groesbeck... from Janie Davis August 2003

Notes for JARRETT O. WILLINGHAM:

Kentucky. birth records state that John C. and Elizabeth had a Daughter named Jarella born Nov 30 1857, but census records state that they had a son named Jarrett O. and later a marriage record for him. I believe the birth record was a mistake, unless Jarella was born in 1857 and Jarrett O. a year later. I found no other record on a Jarella. -Nancy Leeg Jankowski

Same conclusion reached by Kenneth D. Willingham...

He cites: Henderson County, Kentucky Early Births 1852-1859 compiled and published by Linda Hicks Hallmark and Lisa Hallmark Pounders.

Listed on page 63 is the birth of Jarella Willingham, date of birth November 30, 1857. Her father is listed as John C. Willingham and her mother is listed as Eliza Brown. (Now this in itself is very interesting. According to Jarrett O. Willingham's death certificate he was born March 1859. This information was provided by the informant J. C. Crawley, CHC, Kentucky. Mr. Crawley also stated the cause of death to be "Hart trouble". The 1860 Henderson County, Kentucky census states that Jarrett O. Willingham is two years old. This would indicate that he was born about 1858. Being born on November 30, 1857 would make him two years when the census was taken in 1860. Since there has never been a mention of a Jarella Willingham, and she never showed up on any census, I decided to view the original documents that Mrs. Pounders and Mrs. Hallmark used to ascertain their facts. Upon viewing the handwritten entry on a microfiche at the Henderson County Library, I came to a different conclusion. The entry is (Nov " " Jarrett "). The first entry (Nov) equals November. The second entry in line is (") which fall under 30 which equals the 30th day. The third entry is (") which falls under the year 1857. The fourth entry is definitely (Jarrett). I can see how someone in a hurry or tired, not knowing anything about this entry, may have thought it said Jarrell. But the fifth entry is a very obvious error. The (") fall under male. Therefore Mrs. Pounders and Mrs. Hallmark along with J. C. Crawley have made little errors that caused confusion, until researched again. But I do commend them for their work as it has made my search somewhat easier.)

WILLINGHAM RITES FRIDAY

Retired Merchant Died At His Home Yesterday; Services at Hornbeak's

"William Murray Willingham, retired merchant, died at his home yesterday after a long illness. The body will lie in state in the chapel of the Hornbeak Funeral Home until 10 o'clock tomorrow, April 11, when services will be conducted there by the Rev. Sam Ed Bradley, pastor of the First Baptist Church. Burial will be in Fairview cemetery, with Hornbeak in charge.

Mr. Willingham was born in Arkansas on March 25, 1868 and moved to Kentucky in infancy. He was the son of Jerome and Sarah Willingham. He was married to Miss Maude Rodman on March 25, 1891, and to this union five children were born, three of who preceded him in death.

He leaves his widow, two daughters, Mrs. Bob Johnson of Fulton, and Mrs. Floyd Wallace of Evansville, Ind., two grandsons, Billy Williams, and R. B. Willingham, and a great-grandson, Bill Williams, all of Evansville; a sister, Mrs. Daisy Albritton of Lakeland, Fla., a niece, Mrs. Elizabeth DeSanto, of Louisville; three nephews, L. R. Willingham of Fulton, Herman Willingham of Paducah, and James Albritton of Lakeland, Fla.

Mr. Willingham was a merchant in Fulton for many years. He retired from active business several years ago."

A second article authored by Mary E. Parham:

Mr. Will, Beloved of Students, Is Gone But Not Forgotten
by Mary E. Parham

"Mr. Will Willingham, who is an outstanding person in Fulton's memory, is gone but not forgotten by many people, both young and old. Mr. Will will be remembered by the school students of Carr Institute and Fulton High School as the cheery old man who lived across the street from the schools.

I know I will always remember my first day as a green little first grader, associated with Mr. Will's grocery store. There along with many others I ate myself into misery and chewed my first piece of double bubble.

Then as times passed, seasons changed, and we all grew older, I can remember him whistling that same tune over and over each day as he worked in the yard and I sat in Mrs. Trevor Whayne's algebra class, my freshman year, until I reached Mrs. Whayne's chemistry class my senior year.

Mr. Will was just a part of each school kid's growing up. He fitted in every school day's affair. You can recall the man; Friday nights he took up tickets at the basketball games.

It just won't seem right next year not to see him standing there. The school students in the classes of 1948 will miss him and so will we."

Mary E. Parham was the former Mary E. Blackstone and a classmate of William Murray Willingham's grandson, R. B. Willingham.

Over the years, as I grew up and was in Memphis, Tennessee, our family gatherings would include Aunt Thelma and Uncle Lindsey. Despite the mental illness on Thelma's part, she was able to live a "normal" life in that she held a job several times, cooked, shopped, and cleaned her house. Lindsey was a simple man, and he and Thelma seemed to love each other in their own ways. The family knew that Lindsey was not in the genius category, but he was an honest man who earned an honest living. He worked for Delta Airlines from the time I knew anything. He retired from Delta and was proud to have earned the recognition. On my one and only visit to their home in Dallas, TX, I found a home that was modest but clean. I am not certain where, but he was away part of my visit. I can only say that he and Thelma were loyal to each other and took care of each other in the ways they knew how. Thinking back on this, it is rather a tender thing.

During the years I lived with Mother in Little Rock, Arkansas., we would have mother's extended family join us for Thanksgiving. My stepfather, Bill, was a great cook. He prepared the sumptuous feast single handedly. Uncle Lindsey would join Bill in the kitchen perched on the kitchen stool. His continued comments were always the same, "Sure smells good, Bill." I think Lindsey was intimidated by all the strong female personalities in the family. Frankly, so was I! It was always a verbal hullabaloo when Thelma, Leona, Katrina, and their mother Granny Kate got together.

Message: Katrina,

What a surprise for me!! I was not only surprised to hear from someone, but also to find out that Lindsey was married. I have put together a family history album of Chris, Anna, and their children. My grandmother, the wife of one of Lindsey's sisters' sons, gave me all the pictures that had been collected over the years. I have a little bit of information on Chris and Anna. If you would like to know more please let me know. I would love to know more about Lindsey. All I know about him is that his full name was Christian Lindsey Rezin Egner, that he was born 9-15-08, and that my grandfather called him Lennie. Thank you for your response!

93. *Lineages, Inc., comp. Gene Pool Individual Records. [database online] Provo, UT: Ancestry.com, 2000.,* The Gene Pool was created while gathering genealogical data for use in the study of human genetics and disease. Compiling data for genetic research does not require the same type of documentation as traditional genealogical research. The genes themselves verify relationships and qualify or disqualify a person from a particular study. Citing the source of every genealogical fact in the electronic gene pool was deemed unnecessary and cost prohibitive by medical researchers. Millions of individual records were created from birth, marriage and death records, obituaries, probate records, books of remembrance, family histories, genealogies, family group sheets, pedigree charts, and other sources. The records collected that did not fit a specific study and became the project's "by-products" and were schedule to be discarded. After viewing the quality of the source material used to create the gene pool and despite the absence of cited documentation, the electronic rights to the data were purchased rather than see it destroyed. Several unlinked generations of thousands of families are known to be present in the database containing 20 million names in 5 million records. This data covers the entire U.S. for a wide expanse of years. At a minimum, each record contains an individual's name, date and place of birth, and the name of his or her father. A complete record will contain the following information for an individual: Name Date and Place of Birth Date and Place Married Date and Place of Death Name of Spouse Name of Father Name of Mother Use this database as a finding tool, just as you would any other secondary source. When you find the name of an ancestor listed, confirm the facts in original sources, such as birth, marriage, and death records, church records, census enumerations, and probate records for the place where the even took place.
