

The following data is from the John Willingham family Bible. The copies were from Audrey Fitzgerald, scanned and forwarded to others by Janie Healer Davis. (From whom I received them.) It is not known to this individual how the copies were obtained or who is now in possession of the Bible. Even these copies are a treasure. I have attempted to transcribe the data for sharing, and I have saved the jpeg's to file. Please note that there are sometimes letters missing from words or names; apparently due to damage to the pages.
