I'm probably on the wrong trail again. These POE men come whirling at you from every direction! My John was b. abt 1795 and died abt 1838. He's possibly buried along with Maj POE since he was living in that area at the time of his demise. His wife married Jacob BLACK abt 1840-41.

I have gone back and reread the Salem records and these are some of the early members:

16 OCT 1824
