John Parker seems to have been closely associated with Doswell Rogers b. C1736 who migrated from **Tyrone County Ireland** to Virginia. Doswell Rogers' son William Rogers was born 10/14/1763 in Halifax Co. Va. Doswell Rogers was on the New River in present day Grayson Co. area on the 1770 list of Tithables for Botetourt Co. Va. Doswell Rogers dies in Hawkins Co. TN in 1809, buried at Windale, Washington Co., Va. Joan Tuft found a 1797 land transfer from Doswell Rogers to the heirs of John Parker listed above in Grayson Co. Va. This fits in with Joseph Parker b. 1752 above and my Grandfather Joseph Parker b. 1887 comments about the Parkers being from Ireland, Joseph Parker b. 1752 specifically stated that his family was from Northern Ireland.

Directions to Tyrone Co. Ireland from Belfast:

Northern Ireland's two main motorways strike out west from Belfast, skirting Lough Neagh 'that noble sheet of water' to the north and the south. To the north the M2 heads towards the Sperrins, while the M1 will bring you to the windswept moors of county Tyrone.

An Interesting note: The land Ray Parker lives on today in Yadkin County NC was purchased from Robert Matthews in 1790 by my GGGGGrandfather George Adams, Robert Matthews was born C1737 in Tyrone Co, Ireland and died 1819 in Iredell County NC, the county he was listed as being a resident of on the deed to GGGGGrandfather George Adams in 1790. As noted John Parker I owned land in Yadkin Co. NC on the southside of the Yadkin River from present day Surry Co. NC. Land Grant to John Parker deed book B page 246 dated Oct 24th, 1782 NC Grant to John Parker 200 Acres southside of the Yadkin River in Surry Co. NC.

Doswell Rogers is not on the 1782 personal property tax list and John Parker and Bryant AR are not on the 1782 Land. Tax list interesting. A man who owned 19 slaves listed no land? This leads to the conclusion that neither tax list was complete and accurate. Only William Glaves was on both tax lists.

The above surveyors will -- as far as shall seem convenient to them -- follow the blazed trees. Committee to view road from Little River to Brush Creek to make report.
---------------------	---

This shows that the John Parker Family was occupying the 297 acre tract on Meadow Creek, in 1793 before the 1797 land transfer from Doswell Rogers and the 23rd day of February, 1802 land grant for the same plot of land by Governor James Monroe. There must be a reason for the multiple transfers of the same property to John Parker and his heirs starting back in 1774, but this is now unknown. Why would the same property be transferred to the John Parker Family three times?

1793 Wythe County Personal Property Tax List created from Montgomery Co. in 1789

Second Section - What became Grayson County in 1793

Name	Tithes	Blacks	Blacks	Horses

Bryant, James	1			3
Bryant, Robert	1			1
Parker, William	1			2
Parker, Maragaret				3
Parker, John	1			3
Parker, Joseph	1			3

This indicates that John Bryant had an unmarried male in the household who could have married Susannah Parker between 1802 and 1805. Maragaret Parker where does she fit in? Joseph Parker was the bondsman for her later marriage in Grayson Co. Va. We know that Garner Bryant was the son of John Bryant, James

and Robert Bryant may have been brothers of John Bryant, they were not listed in John Bryant's 1800 will in Grayson Co. Va. as being heirs. John Bryant listed his daughters in his will, unfortunately he did not list their married surnames. Uncle Garner Bryant was the witness to the two deeds made for the division and sale of the John Parker estate in 1807, he was married to Hannah Davis a Cousin of Ray Parker's and descendant of Grandfather Charles Davis born C1706 in Wales, England. It is not known which Bryant Susannah Parker married, but there must have been several candidates based on the above list. Both the Bryants and Davis were Quaker Families, and three of William Parker and Elizabeth Lydia Bryant's children, Lydia Parker, Rebecca Parker and George Parker married into Ray Parker's Adams Quaker Family in Surry Co. NC as did Charles Bryant who married Aunt Ann Adams in 1812.. It is also interesting that the same Parker, Bryant and Davis Families also owned land in Surry Co. NC in what is now Yadkin Co. NC. We are currently surrounded by hundreds of Parker, Bryant, Davis and Adams descendants from these families here in Yadkin Co. NC.

Land Grant to Ray's GGGGGUncle Thomas Davis in Montgomery Co. VA. at the Mouth of Elk Creek and the New River. Elk Creek is less than five miles from Meadow Creek where the Parkers and Bryants lived.

The 1800 Grayson County, Virginia Tax List

Since most of the 1800 Grayson County census was burned in 1814, tax lists are about the only way to obtain similar data. This record, taken from information on file in Library of Virginia does that to some degree. The first column is the tax payer, presumably the same as the head of the household. The next column is the number of white males over age 21. The third column is the number of horses owned. The next column lists the number of slaves over age 16, and the last column lists the number of slaves between 12 and 16 years of age. If no number is shown it should be assumed to be zero.

Note research here by Ray Parker [] and from the Surry County Heritage Book Volume I, extensive use of the Grayson Co. Va. Personal Property and Land Tax Records, Parker Deeds in Grayson and Montgomery Co. Va. And Surry County, NC. Grayson Co. Roads and Transportation notes. Land Grant signed by James Monroe Governor of the State of Virginia, 2/23/1802 confirming the original grant to John Parker I, on 12/27/1774. This grant lists John Parker I's heirs.

Birth date of 1752 in Northern Ireland for Joseph Parker is as he told his Granddaughter Susannah Jane Parker. Received from Lois Marshall. In addition we have located a birth record for William Parker b. 4/10/1748 in Ballyhay, Cork County, Northern Ireland to a John Parker. Note: Samuel Parker is an enigma, we suspect but cannot identify with any certainty the names of any of his children and he had six children on the 1790 Surry County, NC Census Report. He was closely associated with the Jayne (De Jayne) Family who came from Bristol, England via New York, as recorded in several Surry Co. NC land transactions in the 1790's. After doing additional research, it appears that Samuel Parker had sons Samuel Parker Jr. and George Parker as they were the witnesses to several deeds granted by Samuel Parker in the early 1800's in Surry Co. NC. Their names appear on multiple deeds in the 1800-1812 time frame.

In addition we have recently learned that the Quakers Living in Grayson County often attended the Deep Creek Friends Monthly Meeting off Nebo Road in Yadkin County, until the Mt Pleasant Friends Meeting was established later in the 1800's. This helps explain the intermarriage between the Surry/Yadkin County and Grayson County residents. This was a 60 mile or so trip to go to church. Since Quakers were not supposed to marry out of the faith, they often married cousins or traveled to the nearest Quaker Church to find spouses. This was the pattern between the Quakers in Grayson County, Va and the ones in Surry/Yadkin Co, NC from the 1770's to 1840's.

The Parker Family History

as I have heard it - by John Wilson Parker, Jr.

"My great grandfather, Josh Parker came to Texas in 1821 among the first four hundred Anglo settlers to enter. Shortly after coming to Texas he married a young woman by the name of Whiteside and they settled near Washington on the Brazos. They had two children; first a daughter by the name of Sarah Parker and a son by the name of James (Whiteside?) Wilson Parker. Grandfather was born February 19, 1832. He had his citizenship changed for him twice before he came of age. Once at age four years when he became a Texan and then an American Citizen by annexation in 1845. from "Floyd Spencer" [□](#)

**** The Texas online handbook for Joshua Parker

PARKER, JOSHUA (1790-1838). Joshua Parker, member of Stephen F. Austin's Old Three Hundredqv colonists, was born on April 13, 1790, in **Grayson** County, Virginia. He was living in Arkansas in 1821, when he became acquainted with Moses Austin and enrolled in the proposed Austin colony in Texas. He and his colonist partner William Parks received title to a sitioqv of land in what is now Wharton County on July 24, 1824. Parker's home place on Palmetto Creek was adjacent to Stephen F. Austin's headquarters. The census of 1826 listed Parker as a farmer and stock man, a single man aged between twenty-five and forty. He married NANCY SAPHRONIA BELL in 1828. Evidently he dealt extensively in livestock. He bought a mule from James Gaines in 1824, ordered horses from Josiah H. Bell in 1826, had Austin buy him an ox ring from Nicholas Clopper in August 1826, and had a quarrel with Aylett C. Buckner while he and Buckner were driving a herd of horses from the Rio Grande. In November 1830 Parker was listed among persons who must comply with the conditions of their grants or have their lots sold by the ayuntamientoqv of San Felipe. He was an acquaintance of William B. Travis at San Felipe in 1833. Parker died on July 24, 1838, at

Independence, Texas.

Jesse and Rebekah Parker Adams went to New Castle, Ind. In the early 1870's, in September of 1874 George Parker sent them money to pay for their train tickets back to Greensboro, NC. This is based on a letter written by Jesse and Rebekah Parker Adams to Elam Jesse Adams kept by Noah Parker and son Sebon Parker. They returned to NC in October of 1874. Jesse Adams died before 1880, on the 1880 Yadkin County Census, Rebekah Parker is living with her Grandson Samuel S. Adams off of Rockett Road in the Fall Creek Township. East Bend Township. George May Parker on the 1880 Census is living in his mother Kesiah Parker's household in the Fall Creek Township. We could not locate James H. Parker on the 1880 Census, but he lists his parents as George and Elizabeth Parker for his marriage record as does Amanda Parker on her marriage record..

Burial Union Hill Methodist Church for James H. Parker, Sarah Shore Parker, Amanda Parker Poindexter and Sarah Ann Parker Poindexter. Two unmarked graves are beside of James H. Parker and Family, this is were we believe George May Parker and Wife Elizabeth Shore Parker are buried. J. J. Poindexter was John J. Poindexter age 47 household 1165 on the 1850 Surry Co. Census report with wife Martha age 27, also in the household Elizabeth Chin age 73 and Sarah Kerr age 68. We believe that Sarah Ann Parker b. 1841 married one of John J. Poindexter's older brothers Edward James b. 1843 or Charles Allison Poindexter b. 1845. Some of these Poindexters moved to Texas, John J. Poindexter died in Wyahachie, Texas 12/25/1881 we assume he moved there with his son John Emsley M. to Louise Caladonia Braly, he died in 1915 in Texas. Yadkin County deeds indicate that Enoch and Elizabaeth Shore moved to Illinois.

Much of this information was transcribed by Budd Adams from Newton Adams' Family History Letter written in his own hand. The deaths of a wife and four children above cannot begin to describe the disasters that befell Newton Adams. His house burned in Muncie, Ind. Yet he lived to be eighty-five years old and was remembered for his positive and cheerful disposition. As noted he did a great deal of traveling from place to place. All the dates are approximate, Newton Adams was not particular about recording dates.

Cousin Irma Matthews a local historian told Cousin Kay Brown that Sherman Parker as a young student, conducted a funeral for baby at the Prospect Methodist Church one afternoon as he was returning from his studies at the East Bend Academy. She relates that for a young fellow still in school, he did a pretty good job on the funeral. As recorded by Irma Matthews in her history of the Prospect Methodist Church for the Yadkin County Heritage Book Volume I, Mr. T W. S. Parker was a Sunday School Officer

at the church in 1887. The Book the History of Rockford NC also lists him as having been a minister there at the Rockford Methodist Church.

HALSTEAD INDEPENDENT, Halstead, Kansas Thursday April 16. 1925 page 1.

A GOOD CITIZEN TAKEN IN DEATH

Heart Trouble Close the Earthly Career of D. R. Parker, April 8th

D. R. Parker, for about twelve years, a resident of our city, passed away at the Halstead Hospital on Wednesday night last week at 11 o'clock from an illness Of less than two weeks with enlargement of the heart and its attendant complications.

He had been living in Lawrence for nearly a year following the return from a trip To Florida and the old home in North Carolina, and had been continuously employed At his trade as a carpenter until he was taken violently ill during the night a week Before he was brought here for treatment.

As his condition was becoming worse while at Lawrence it was thought advisable To bring him to the Halstead Hospital, but the ailment refused to yield to treatment And after lying in a very serious condition for several days he quietly breathed his last.

Daniel Ralph Parker was born August 8, 1872, at Nebo, N. C., and departed this life Wednesday April 8, 1925, at the age of 52 years and 8 months.

He was married to Nannie Elizabeth Winfrey at East Bend, N. C., December 3, 1896 And to this union four children were born, two of which died in infancy. The family Resided in Halstead about fourteen years, recently moving to Lawrence, Kansas.

Mr. Parker joined the Methodist Church in North Carolina when he was a boy and Transferred that membership to the Halstead Methodist November 15, 1914 where he was A member at the time of his death.

Mr. Parker leaves to mourn his departure, a faithful wife, two daughters LaDeen and Mabel, Four Brothers Martin of Mt. Holly, S. C., James of Mt Airy N. C., Julius of Wichita, Kansas, John of Greensboro, N. C., two sisters, Martha of Crutchfield, N. C., and Sarah of Nebo, N. C., and many Other relatives and friends.

While a resident of halstead the deceased had formed many strong ties of personal friendship and his Early death at the age of fifty-two years has been a shock to those who enjoyed his acquaintance. He was a good citizen in every sense of the word, a kind and indulgent husband and father, and in his passing away the ties and friendship and family relation have been

ruthlessly broken. His had been a well spent life and the heritage of pleasant memories of him which he leaves behind will be cherished by all who came within the scope of his kindly influence.

The funeral was held Saturday afternoon from the Methodist Church where he had been a regular Attendant. The sermon was given by W. B. Robertson, a former Pastor while Rev W. W. Owen Read the Scripture lesson and offered a prayer. There was a large attendance of Family and Friends and as token of esteem in which the departed was held many floral offerings covered The casket. Internment was made in the City Cemetery where the burial service of the Masonic Fraternity of which he was a member was carried out in an impressive manner.

Obituary taken from Vernonia newspaper:

RITES FRIDAY FOR PIONEER

Walt Parker, 81, who was a member of one of the pioneer families in the Nehalem Valley and who had been a resident of the Vernonia area for over the past 75 years, died very suddenly Sunday afternoon, November 22. Mr. Parker was beaver trapping near the Nehalem River and Lake Vernonia when he was stricken by an apparent heart attack. He was missed late Monday and a search early Tuesday discovered him near the Nehalem River. His death was attributed to natural causes.

Funeral services were held Friday, November 27, at 1 p.m. at the Fulton Mortuary Chapel in Vernonia, with the Rev. Rodney Marshall, pastor of the Vernonia Christian church officiating. Concluding rites and interment were at the Vernonia Memorial Cemetery.

Mr. Parker was born in Baker county, Oregon, November 16, 1889, the son of the late Newton Parker. After the death of his mother when he was five years old, he came with his father and his father's family by horseback to the Nehalem Valley. His uncle, the late Albert Parker, was the first white child born in the Nehalem Valley. Mr. Parker received his education here and spent his entire lifetime working in the logging industry in this area. He was an avid outdoorsman and enjoyed fishing, hunting and trapping

Fred Ernest Parker

BOONVILLE - Mr. Fred Ernest Parker, 83, of Parker Road, a descendant of the first settler of Yadkin County in 1748, passed quietly away Friday, Jan. 10, 2003, at Willowbrook Health Care Center in Yadkinville. He was born July 20, 1919, in Yadkin County to the late Joseph Wallace Parker and Phebe Cazelia Parker. He was a World War II veteran, a U.S. Navy Seabee at Camp Perry at Norfolk, Va. Fred was a builder who in 30 years built many hundreds of homes from Emerald Isle on the N.C. coast to Fancy Gap, Va., and many commercial buildings in the continuation of a four-generation family trade. His favorite project was the construction of the Mackie-Gentry Funeral Home in Yadkinville. After his first heart attack in 1976, he withdrew from his construction business and was a building inspector for the USDA until his full retirement at age 70. He was also a successful part-time farmer, raised chickens on a large-scale basis on land passed down from his great-great-great-grandfather, George Adams' 1790 land purchase on the headwaters of Forbush Creek in Yadkin County. Forbush Creek was named after his great-great-great-great-great-grandfather, George Forbis (Forbush), one of the two first settlers south of the Yadkin River in present day Yadkin County in 1748. He was preceded in death by his parents; two brothers, Clarence Parker and Thad Parker; two sisters, Eva Parker and Zena Parker McCormick; and a son, Donald Lee Parker. He is survived by his wife of

62 years, Elva Jester Parker; two daughters, Sandra (Roger) Adams of Yadkinville and Jo Ann (C.D.) Miller, and a son, Ray Parker (Linda utt), of Boonville; and three granddaughters, Gina Parker (Stacy) McGee, Dee Miller (Brian) Shore and Anna Miller, all of Boonville. The funeral service will be conducted at 2 p.m. Sunday at the Gentry Family Funeral Home, N.C. Highway 601 N., Yadkinville by the Rev. David Minor. He will lie in state from 1:30 to 2 p.m. today before the service. Burial will follow at his home church, Mount Pleasant United Methodist Church on Nebo Road in Boonville, with full military honors by Yadkin VFW post 10346. His burial plot there is on land donated to the church on its establishment in 1844 by his great-great-uncle, James Adams, from his great-great-great-grandfather William Adams' 1790 estate holdings. The family will receive friends from 6 to 8 this evening at Gentry Family Funeral Home in Yadkinville.

ALTHOUGH THIS CEMETERY IS NOW CALLED THE PETTIT CEMETERY, IT APPARENTLY IS THE **OLD PARKER FAMILY CEMETERY**. IT APPEARS TO BE BESIDE AN OLD PLANTATION ROAD ON LAND THAT ALLEN SMITH BOUGHT FROM THE **HEIRS OF JOSHUA PARKER IN 1840**.

THE CEMETERY IS LOCATED IN CARROLL COUNTY VA, ON A STEEP KNOB OFF CRANBERRY ROAD. THE CEMETERY IS ABANDONED AND DIFFICULT TO REACH.

THERE ARE THREE MARKED GRAVES AND EVIDENCE OF AS MANY AS 50 OR MORE UNMARKED GRAVES.
