

Sept 12 - 1960

Dear Winifred -

May I address you that way? - Definitely you & Marvin are cousins several times removed - your last letter was so appreciated -

do you suppose you could get a statement from Mr. Samples about Hiram, Ezekiel & Lucretia being brothers & sisters & have it notarized? That is our only source that I know of -

I have a statement of Ezekiel's Credentials & will have a copy made for you - also we have Ezekiel's Father's Will -

William Hague from
Marshall Co Tenn - I'll
also send you a copy of
it - Mrs. John Erwin, from
the Samuel McShowell
Watson line lives in
the city (we live about 10
miles out) is so thrilled
that you found his ^{S. M. Watson} grave.
She had never known
about it - She is going
to write you & will send
all the Watson material
that she has - She has
worked on it for several
years - She has it back
to Samuel Watson, York
Dist - ^{so far} a Col. in Rev - our
Hagues were there until

after 1830⁽²⁾ Then to send
you to ask - I have
several papers I feel you
should have & I'll get them
to you as soon as
I can -

I'd love to have the
picture of John Andrew Hogue.
So far as I know there
isn't a picture of him in
the immediate family -
Aunt Mary Hogue ^{faunt} Snell had
all of those things in her
home when it burned -

The Ernest Hagues
from Akron, Ohio, who
have done so much work
on the Hogue line are
going to Paris, Texas

from So. Can. where they
have attended a Hague Reunion
Ernest has a sister in
Paris who is ill & they
go see about her often.
From there they are going
to Hot Springs - Ark -
I have written them
about you so you
may have visitors - They
do a lot of travelling
& do lots of research -
Ernest is retired so they
just search & search -
They have given me all
I have on the Hague,
at least most of it -
They located the Hague,
& Watson in Marshall

co. Term (3) - I know
they will be happy to
know about you - They
had located Mr. Jim Hague
some years ago - But
he didn't seem to know
anything about the family

I'll send charts &
everything as soon
as I can - don't give
up on us - Mrs. Ervin
& I both will get what
we have to you real
soon -

Again I thank you
for all you have sent
us & we are so glad
you found us because
we really didn't know

who to look for ~~is~~
Benton - However we
felt there must be
some relatives there.

I found my notes
& Aunt Ellen wrote to
Howell Holiman when
she was a girl -

Sincerely,

Mary Evelyn Hogue
