

April 13, 1940

Dear Allie Ruth,

Well it turned prty cold down here today and almost killed all the dog wood trees they were all drawn up this morning and it was a sad sight to see all the plants being likked by this sudden cold spell, It came all of a sudden in the night and caught us with our covers down and we almos froze .

I made a perfect on my report in school and boy am I proud of that I went to the show this afternoon and saw Tom Sawyer and it was good Hie got me a new base ball today and we played catch all morning Martha is ridng the bicycle that the girls haw next door and she is never off it.

I play on the boys High school team and I am center, we won all the games that we have played yet and they were some games too.

Mrs Underwood is letting me use the typewriter down in the front room and I can sure go to town on it with a few errors I can do 45 words a minute on the typewriter down at school and so far I have made all good grades in typing.

I am saving some money to buy a camera I want to take some pictures of the perty ^cseanes around here then learn to develope the films so I can take my pictures and go in the house and develope them and I will have them ready in three minutes instead of three days.

We have a surprise for you and that will be all i can
tell you for the present?

Give my regards to Frances and all the other folks.

Yours truly,

Junie
