Mr J. W. Walton

Dear Sister

My son wrote you a week ago but on account of no funds to buy a stamp. it has not been mailed and I want you to write him as soon as you find time to do so.

He has had you on the mind every since he saw Dorris and tell us things that he did while with you and ever time we get on him she says he wishes he was with his Aunt Alma. He were sure glad to see Dorris and was sorry we did not know she was here sooner and she is sure some fine girl. I am doing every thing I can to get work but every thing is real quiet here. I could have

been working for the S. E. R. A. but  
 when they called me for physical examination  
 they found I had high blood pressure  
 and heart was not to good. I have a  
 good prospect in San Bernardino Calif.  
 who has promised me a job as Route  
 foreman just as soon as he can get  
 the man he has out of debt to him and  
 I wrote Sonnie for a gift. He guesses  
 he has tore me out of his family tree  
 I guess you see Allie often and  
 you tell her I have not for got to  
 answer her letter but for her to  
 write any way for we are sure  
 always glad to hear from her and  
 I hope I can get going and next  
 year have you all out here for  
 a long visit.

Love to all  
 Walter

Dear aunt Alma  
how are you?  
I am going to school  
now. I'm in the  
a-2 grade. I wanted  
to go home with  
Pork but could not  
manage. I would  
like to see you all.  
I'll tell Uncle Sammy  
I don't like eggs any  
better than I use to.  
Tell Susie hello.  
write me soon.

Love to all  
Walter Pol
