

P.S. - you know, of
course that Simon
Poe's grave is in
Tuscaloosa Ala. - he
is buried next to
Maj. Jim Poe's.
I understand
there is a tombstone
at Simon's grave,
but only a large
rock at Major
Jim Poe's grave.
That is too bad
that we descendants
have not placed
a tombstone at his
(over)

grave - I have
in my attic
a haked made
old cedar chest
which my mother
told me that
Maj. Jim Poe
sat in when they
(Simon's family)
moved him to
Ala. He was ill,
is the reason
he rode in the
Chest.
